**B.Sc.** Clinical Psychology

# Message

From the Chairperson's Desk

**Dr. Ravi Juniwala**  
Chairperson

*\*Welcome to the Apex School of Clinical Psychology, where our journey of excellence and innovation continues to flourish.\* As the Chairperson, I am immensely proud of the remarkable progress and achievements we have made since our establishment. Our mission has always been to provide a transformative education that not only imparts knowledge but also shapes character and fosters compassionate leadership.*

*At the Apex School of Clinical Psychology, we believe in the power of education to transform lives and create a positive impact on society. Our \*BSc in Clinical Psychology\* program is designed to be dynamic, evidence-based, and industry-relevant, ensuring that our students are well-prepared to meet the growing demands of the mental health field. Through a blend of \*theoretical learning, practical application, and research-driven insights\*, we aim to equip our students with the skills and empathy needed to address complex psychological challenges.*

*I am deeply grateful for the unwavering support of our \*faculty, staff, industry experts, and the broader community. Together, we are committed to maintaining our position as one of the leading psychology institutions in Rajasthan. We continuously strive to create an environment where \*\*innovation thrives, ideas are cultivated, and future mental health professionals are shaped\*.*

*Let us work together to \*nurture excellence, inspire compassion, and build a future where our students can make a meaningful difference\* in the lives of individuals and communities.*

■

# About

## B.Sc. (Hons.) in Clinical Psychology

The B.Sc. (Hons.) in Clinical Psychology at Apex University, Jaipur, is a specialized 4 years undergraduate program designed to provide students with an in-depth understanding of human behavior, mental health disorders, and psychological assessment techniques. The curriculum covers key areas such as abnormal psychology, cognitive psychology, psychotherapy, psychological assessment, and research methodologies. The curriculum integrates theoretical knowledge with practical training, including counseling methods, psychotherapy approaches, research methodologies, and hands-on clinical exposure.

Students gain valuable insights into psychological disorders, therapeutic interventions, and mental health care practices through interactive learning, case studies, internships, and workshops. The program emphasizes the application of psychology in clinical settings, preparing graduates for careers in mental health services, rehabilitation centers, counseling, and psychological research.

With access to modern laboratories, experienced faculty, and industry-oriented training, this course serves as a strong foundation for those aspiring to pursue higher studies or professional roles in psychology, counseling, and mental health care.
