Message

From the Chairperson's Desk

Dr. Ravi Junival
Chairperson

Welcome to the Apex School of Paramedical Sciences. It is with great pride and enthusiasm that I address you, reflecting on our journey and anticipating the promising future ahead. Since our inception, we have remained steadfast in our commitment to excellence in paramedical education, driven by a mission to equip our students with the skills, knowledge, and compassion required to excel in the healthcare field.

Our esteemed faculty, who bring a blend of academic expertise and real-world experience, are at the heart of our success. They are dedicated to mentoring our students, fostering critical thinking, and instilling a sense of ethical responsibility. Their commitment to excellence ensures that our graduates are not only highly skilled but also compassionate healthcare professionals who make a significant impact on the communities they serve.

I extend my heartfelt gratitude to our faculty, staff, students, and the broader healthcare community for their unwavering support and dedication. Together, we will continue to build on our successes, strive for new heights, and make meaningful contributions to the field of healthcare.

Recognized as one of the Best Paramedical School in Rajasthan

The Apex School of Paramedical Sciences has earned its place as one of the best paramedical schools in Rajasthan through its unwavering commitment to quality education, research, and clinical training. This recognition is the result of the school's continuous efforts to enhance its academic programs, invest in modern facilities, and foster a culture of innovation and collaboration.

The school's focus on evidence-based practice, interdisciplinary learning, and community engagement ensures that students receive a well-rounded education that prepares them for successful careers in the paramedical field.

About

APEX SCHOOL OF PARAMEDICAL SCIENCES

Healthcare and its management are one of the fastest growing sectors, both in India and globally. Apex School of Paramedical Sciences, Apex University, Jaipur offers Paramedical Science Courses in Diploma, UG, PG and PhD. We are committed to making the institute a centre of excellence for learning in Laboratory technology and carrying out training to fulfil the needs and expectations of students.

Our mission is to impart quality education and training by experienced, high profile eminent faculty members, backed by modern infrastructure and a well-equipped laboratory setup. In the modern world, paramedical science has emerged as an important branch of medical science. A Paramedic is a professional who helped with doctors' specialized areas and facilities for better diagnosis treatments and therapy. Be a paramedic to discover great realms of human health and done good money. It's a hidden treasure that is not known to many.

Paramedics are key players in Health and Medical sectors. Without paramedics, the entire Health Industry is out of gear and is most non-functionary. If there are no Paramedics, there is neither money nor any profit for doctors, hospitals, private clinics, etc.

STUDENT'S SUCCESS STORY

“Being a part of the Paramedical Department at Apex University has been an incredibly fulfilling and transformative experience. The department’s experienced faculty, state-of-the-art labs, and hands-on learning opportunities have equipped me with the skills and knowledge needed to excel in my field. The support and encouragement from my mentors have instilled in me a sense of purpose and confidence to pursue a career in allied health sciences. I am immensely grateful to Apex University for providing me with the opportunity to grow both academically and personally, and for fostering an environment that encourages excellence and compassion in healthcare.”

Sharief Ahmed
BRT III Year

“My journey at Apex University has been nothing short of amazing. As a student in the Paramedical Department, I have been fortunate to receive an education that combines both rigorous academics and valuable hands-on training. Beyond academics, I’ve also had the opportunity to excel in sports. Representing the college in various athletic events has taught me discipline, teamwork, and time management. The sense of achievement in both areas has boosted my confidence and motivated me to perform at my best, whether on the field or in the classroom. I am deeply grateful to Apex university for providing a holistic environment where both academic and extracurricular activities are valued. The experiences and lessons I have gained here will guide me as I continue my journey in healthcare and beyond.”
