Message

From the Chairperson's Desk

Welcome to the Apex School of Basic, Life, and Applied Sciences at Apex University. As the Chairperson, I am honored to lead a faculty committed to excellence in education, research, and innovation. Our mission is to foster a dynamic learning environment where curiosity thrives, and students are empowered to reach their full potential.

At Apex, we believe in a holistic approach to education, integrating theoretical knowledge with practical experience. Our state-of-the-art laboratories and research facilities provide students with the tools to explore, discover, and contribute meaningfully to their fields.

We are proud of our diverse community of scholars, where collaboration and interdisciplinary studies are encouraged. Together, we strive to address global challenges and make significant advancements in science and technology.

Thank you for being part of the Apex family. We look forward to your success and contributions to society.

■ **Dr. Ravi Junival**

A Journey

REDEFINING EXCELLENCE

Apex School of Basic, Life & Applied Sciences

Nurturing Excellence Since 2018

Welcome to Apex School of Basic, Life & Applied Sciences, where excellence is not just a goal, but a way of life. Established in 2018, our institution carries forward a legacy of 59 years in delivering top-notch education and nurturing the brightest minds in Rajasthan.

At Apex, we believe in fostering a holistic approach to learning, blending theoretical knowledge with practical applications. Our curriculum is designed to provide students with a comprehensive understanding of basic, life, and applied sciences, equipping them with the skills and knowledge needed to thrive in today's dynamic world.

Be A Part of 59 Years Legacy

What sets Apex apart is our unwavering commitment to excellence. Our dedicated faculty members are experts in their respective fields, passionate about imparting knowledge and guiding students towards academic and personal success. Through innovative teaching methods and state-of-the-art facilities, we create an environment where students can explore, experiment, and excel.

Recognized as one of the Best Science Schools in Rajasthan

We take pride in being recognized as one of the best science schools in Rajasthan. This accolade is a testament to our relentless pursuit of academic excellence, as well as the achievements of our students and alumni who continue to make significant contributions to the scientific community and beyond.

Join us in our journey of nurturing excellence and shaping the future of science.

APEX SCHOOL OF BASIC, LIFE & APPLIED SCIENCES :

The APEX School of Basic, Life and Applied Sciences was established to teach courses in the Basic and Applied Sciences at the Graduate, Postgraduate and Research Levels. It is well equipped to carry out both teaching and research activities through its various constituent Departments, namely Zoology, Botany Chemistry, Physics, Mathematics and Forensic Science.

The School offers B.Sc., M.Sc. and Ph.D. programs with syllabi designed as a blend of core science and interdisciplinary topics. The School of Basic, Life & Applied Science puts a strong emphasis on projects and research based learning under the guidance of experience faculty. School is committed to inculcate expertise in the students in the field of basic sciences, technology and personality development so that they can make the world a better place. The School has a unique mentor-mentee system, where a faculty member guides every student. The faculties are very much committed to their goal and work efficiently to develop foundational skills so that students achieve their goals in desired fields such as teaching, Govt. sector, private sector, administration etc.
